## COVID-19 CORONAVIRUS

### Ontario

As of November 10, there are a total of 88,209 confirmed cases of COVID-19 in Ontario reported to date.

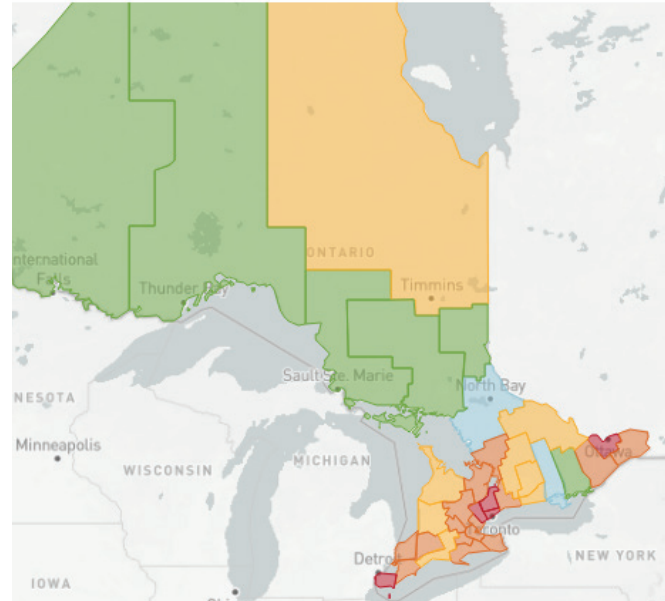

Compared to the previous day, this represents:

- An increase of 1,426 confirmed cases (percent change of +2.7%)

- An increase of 15 deaths (percent change of 0.0%)

- An increase of 886 resolved cases (percent change of +13.4%)

3,275 confirmed deaths in Ontario

### Timiskaming Health Unit

Zero active cases in Timiskaming region currently

- Change in cases since November 2nd: 0

- Cumulative case count since the beginning of the pandemic: 17

- Cumulative rate per 100,000 population: 52.0 per 100,000 people

- Note for all of North Eastern Ontario, there are currently 80 active cases (60 active cases in Sudbury)

### Quebec

- Administration region of Estrie in the Eastern Townships is being designated a red zone, all of Gaspé will be orange

## PERFECT ATTENDANCE FOR OCTOBER

**ST-JOSEPH:** Jaymee Cheff-Wabie, Lucas Julien, Hazel King, Summer King, Sydney King, Zander King-Paquette, Zaynah King-Paquette, Nya Polson, Maika Roussel, Maude Roussel, Amélie Roussel, Liam Wahsquonaikzhik.

**RDQ:** Xavier King Paquette Miljour, Jared Polson, Kelly-Ann Thivierge, Nolan Polson.

**TDSS:** Kirstin Bourdon-Trudel, Janessa Breault, Ash King, Trinity King, Tyra McLaren, Evan Polson, Keagan Wabie.

## ELIGIBILITY FOR SUMMER JOBS

Students and parents are reminded that eligibility for student summer jobs requires that the student be a full-time student who is returning to school in the fall. Students who are not currently enrolled and following a course can see their chances eliminated, not to mention that they are missing necessary credits to help them graduate. This does not apply to a student with a spare as they are still enrolled in school.

## FRAIS DE SURVEILLANCE ET D'ENCADREMENT – CSSLT

This is to inform parents who have children attending schools within the CSSLT jurisdiction, that the *frais de surveillance et d'encadrement* have been paid for TFN members only by the TFN Education Department. If you have already paid, your reimbursement will come from the CSSLT.

## 3<sup>RD</sup> ROTATION AT TDSS

This is to remind you that the 3<sup>rd</sup> rotation will be commencing on Monday, November 16<sup>th</sup> and will last for the next 5 weeks.

## INCENTIVE AWARDS – RDQ

Please be aware that RDQ will have only 2 report cards this year. The incentive awards that the TFN Education Department offers for honor roll (80%+ average) will now be divided into 2 terms instead of 3 as was done in the past. The total prize money is the same, just distributed differently. Therefore, a prize of \$80 will be offered to students who qualify at the end of January and then in June.

## Kiwetin Kikinamading – IMPORTANT UPDATE!

We would like to announce that effective Monday, November 23, all Grade 6, 7 and 8 students will once again attend school daily. With the use of Google classroom and additional staff at the school, we will be able to accommodate all of our students, even if teachers become ill (and have to work from home while awaiting Covid testing/results).

The safety of our students has been our number one concern, along with the continuation of their education. We know this hasn't been an easy situation for many, but we sincerely appreciate the creativity and patience that we have seen throughout these past few weeks.

Please keep in mind that should the local Covid situation change abruptly, it may still necessitate remaining in Phase 2 or even going to Phase 3 (complete school closure). However, at this time, we are eagerly anticipating the return of our older students to Kiwetin on November 23. Welcome back!!

Here is a list of courses in the field of Education, Indigenous Studies or Management offered (in English) at distance in the winter semester. It is possible to take one of these courses as an independent student. Please share this information.

## **TIMISKAMING FIRST NATION SNOW REMOVAL**

The TFN Public Works Department is pleased to offer our on-reserve senior members of the community a snow removal service, free of charge to their main residence. This service is also be offered to TFN handicapped members at a reduced rate. Furthermore, the service will be provided to all community service buildings.

**Please remember that this is a service we are providing, it is not an obligation on our part, TFN will not be held responsible in any way for accidents or injuries resulting from lack of sand or slippery yards or any damage to properties. The service of snow removal only applies to driveways; Drive-ways will be plowed to allow adequate access to the residence. Additional snow removal (ex. Clearing of large driveways) will be at the home owners' expense.**

In order to have a fair system, the criteria are and will be followed as such:  
To qualify for this service, you must:

### Senior

- Person must be a TFN band member and make request. (As of November 30<sup>th</sup>)
- Must be the main home owner and reside there.
- Sign an annual agreement with the TFN administration.
- Be 65 years of age or over. (By December 31<sup>st</sup> of the current year)

### Disabled/Handicapped

- A certificate from your doctor. (Stating reason and duration of disability that would prevent physical activity)
- Have no other person physically capable of clearing snow residing with them.
- The service will be offered at a discount rate of \$90.00. (Winter season)

### Optional

Sanding of cleaned driveway will be added for additional \$20.00.

PROVIDING INFORMATION ONLINE

Crime Stoppers is a non-profit organization founded on May 8, 1996. After becoming active in 1997, it operated under the name Info-Crime Québec until a name change in October 2012. It administers a program that gives Quebec residents a way to report crimes anonymously. The concept was developed based on the principles of Canada's Crime Stoppers program. Thanks to the hard work of the initial volunteers, our program is now a success.

Crime Stoppers activities result in criminal arrests, seizure of stolen goods and narcotics, faster progress of certain police investigations, and raised community awareness of crime prevention.

Crime Stoppers administers and supports a network of affiliated regional groups in Quebec to help promote the organization, funding and raised awareness for regional residents. The program is managed by volunteers and based on cooperation between police, the media and the community, to prevent and stop crime. Crime Stoppers is funded by government grants, community fundraising activities, and direct fundraising.

Together, we make up Crime Stoppers!

## Cold Weather Pet Care

The frigid temperatures that coincide with Quebec winters can be dangerous for your pet. If you own or are caring for companion animals, you need to take extra precautions to protect them from the extreme cold. The best place for your pet is inside, except when you take it outside for exercise. Even long-haired dogs that are accustomed to being outside need extra precautions when the temperature plummets.

Kwe, Hello, Bonjour!

My name is Georgie McMartin, I am pleased to inform you that I have recently been hired to work with CAVAC (Crime Victims Assistance Center) as First Nations communities support worker. I will be working at the Ville-Marie court house and can make community visits to Kebaowek, Long Point, Timiskaming and Wolf Lake First Nation on weekly basis.

For those of you who may not be familiar with the Cavac services, we are support workers who provide information, technical assistance, help and resources to victims of crimes, and to witnesses and families affected by criminal acts.

Some of the services include;

- Psychological support
- Court accompaniment
- Preparation to testify
- Information regarding compensation

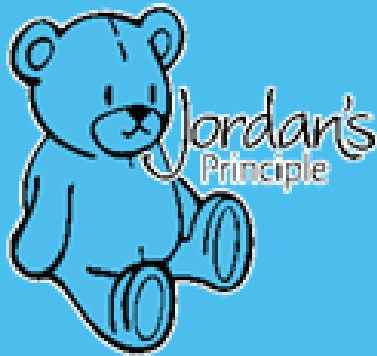

Should you require any information regarding Cavac services, feel free to contact me at 819 629-6406 between 08 :30-16 :30 Monday to Friday. It will be my pleasure to answer any questions in all confidentiality you may have.

Hi TFN

We have had a few parents ask about the lunch program given that the cafeteria at TDSS is now open.

We have a service agreement with PROVIGO until the end of June. We have made multiple changes to our funding agreement and feel its best to honour our agreement with PROVIGO in the event we move back to stricter COVID-19 protocols.

Look forward to a new menu after Christmas Break.

We encourage suggestions for the new menu. Any suggestions can be sent to [vicky.chief@tfnhwc.ca](mailto:vicky.chief@tfnhwc.ca)

**A new project for the families is coming in the community.**

Some of you may have heard of a Toy Library project being prepared in the community. The Health Centre team is happy to announce that the project is real and its development is progressing well. We will keep you posted on developments in the coming months via the Newsletter. We look forward to being able to offer this service to the families and will keep you informed of the progress of the project. You can find more information below.

### **Why to create a toy library**

The toy library is being created to encourage healthy child development. Play is important in stimulating the mental, emotional and physical development of children.

By playing with toys, children interact with objects and people, apply creative thinking, develop confidence, solve problems, and build physical skills.

The toy library will allow parents to help in their children development with a free and easy way to find educational toys. Your children could benefit and play with new toys without having to buy each toy for your home.

The Toy Lending Library will provide:

- A lending service where families can borrow high quality, developmentally appropriate toys for their children
- Access to Health Centre staff and early learning tips to try at home
- Resources for Child Care Providers

**What services will be offer?**

### **Who will benefit from the services? Will there be a charge for the rental of toys?**

All children, families and caregivers in the community will be able to access the toy library to rent materials. There will be toys and material adapted for children between the ages of 0 and 12. This is an initiative that will be free for all community members to access.

**When will the toy library be open?**

Due to the context of Covid, we had to postpone the opening but we hope to have the official opening no later than spring of 2021. We are currently working on the logistics aspect of the project which includes implementing a whole new process similar to a regular library system. We need to number each toy and give each family a member number. We also need to make a catalog of the toys and put the inventory online to allow access in an online process as well as in person once the pandemic is over.

New information  
regarding  
the legalization of  
cannabis

**DID YOU Know?** Please note that First Nations communities have the option of adopting regulations that limit or prohibit the sale, distribution and consumption of cannabis on their territory.

Check with your band council to find out what by-laws are in effect.

As you may know, in our community of T.F.N, a resolution was done with voting (yes) or (no) to have a dispensary here in our community. Final decision was no. NNADAP

Since its legalization in October 2018, cannabis has been governed by the Cannabis Act across Canada, to which are added specific restrictions issued by the provinces to regulate the non-medical use of cannabis.

## Here are the main changes to the regulations in force in Quebec since November 1, 2019:

### Restriction on use in Public places

The consumption of cannabis in indoor and outdoor public places is now prohibited. These restrictions also apply to medical cannabis.

### Raising the legal age

It is now forbidden for people under the age of 21 to consume, possess or purchase cannabis, as well as access the points of sale of the Société Québécoise du cannabis (SQDC). It is also prohibited to sell cannabis to anyone under the age of 21.

Following a conversation with Constable Fillion of TFN police, he informed me that it is prohibited to consume in and around public places. As legal age in Québec is 21, anyone caught violating this law under age may be fined and cannabis confiscated. Selling it is a criminal offence you will be fined and cannabis confiscated.
